Bidding for contracts financed by NADBank is open to firms from any country. Because the funding for this project is administered by NADBank, the bidding process will be carried out in accordance with NADBank procurement policies. Companies that have been previously penalized by NADBank and/or had contracts cancelled by OOMAPAS are not eligible to participate in the bidding process.

Bids may be presented in U.S. dollars or Mexican pesos. Invoices will be paid in the currency indicated in the bid. For the purposes of evaluation only, the exchange rate published in the *Diario Oficial de la Federación* for the settling of obligations denominated in foreign currency payable in Mexico, will be used. The date used as the basis for the conversion will be six calendar days prior to the date for opening the bids.

An advance payment of 30% (thirty percent) of the total value of the contract will be provided.

Bid documents will be obtained via Internet at <https://compranet.hacienda.gob.mx>; however, the general requirements that will be requested in the bid documents and that must be covered in the bid are as follows:

1. Legible, duly notarized copies of the company's Articles of Incorporation, with its most recent amendments, and the power-of-attorney for whoever is acting on the company's behalf, recorded in the Public Registry of Property and Commerce or its equivalent for foreign bidders.
2. The required minimum net worth not committed to other current contracts must be substantiated using the 2022 year-end financial statements, which must be submitted on the stationary of the accounting firm and signed by an independent licensed public account, along with a letter stating the accountant is responsible for the auditor opinion of such statements accompanied by his/her respective professional

license and the official authorization letter issued by the Mexican Ministry of Finance and Public Credit (SHCP) or their equivalents for foreign bidders. Bidders must provide legal documentation that substantiates any capital increases reflected therein.

3. The most recent annual tax statement for the fiscal year immediately preceding, which must contain the acknowledgment of receipt and be consistent with the financial statements, or its equivalent for foreign bidders.
4. Statement made under penalty of perjury of the list of current contracts with both public and private entities, indicating the total value of the contract and the amount to be paid out in annual installments.
5. Brief description of the company, including its organization and the services it offers.
6. To substantiate the technical experience required for this contract, bidders must present legal documentation (cover page and/or contracts or completion certificates duly signed and executed within the past ten years) that demonstrates their technical capacity for works of a similar nature, size and value as those advertised here. In the case of joint ventures at least one of the partners must meet this point. Bidders must also present a list of their equipment, available and sufficient for these works, and not currently contracted for use elsewhere, as well as details concerning works executed during the last ten years, including a brief description of the activities carried out and the contact name and phone number for at least three of those jobs as references.
7. Curriculum vitae (CV) of the technical personnel available to work on the project, **signed by the individual** and the legal representative of the company. Consideration will only be given to the CVs of those persons that have been directly involved in completed contracts for hydraulic and civil engineering works and in the areas of specialization required for the bid, and who have the ability to work in Spanish.
8. Companies in joint ventures must present the original joint venture contract duly signed by their legal representatives, along with a description of the responsibilities and commitments of each party, as well as indicate the lead company and the legal representative of the joint venture. For the purposes of contract signing, the joint venture contract shall have to be notarized. Compliance with the foregoing requirements must be met for each company in the joint venture, with the exception of points 2 and 6, which may be substantiated for the joint venture as a whole or by one of the parties.
9. List of subcontractors that may participate in these works, including their name, address and experience in their area of participation.

Bids must include a security bond worth five percent (5%) of the value of the bid, excluding value-added tax, and be issued in the currency of the bid in the form of non-negotiable check of the bidder payable to the "*Organismo Operador Municipal de Agua Potable, Alcantarillado y Saneamiento de Ímuris,*" or a bond policy in favor of the aforeaid entity, executed by an institution authorized to operate in Mexico.

The general criteria for contract award will be based on a comparative analysis of the eligible bids. A report will be prepared that will serve as the basis for the decision by which, if applicable, the contract will be awarded to the bidder whose proposal meets the required conditions, guarantees satisfactory execution of the contract and works, and presents the lowest evaluated bid under the terms defined in the bid documents.

Payments will be made based on invoices for work performed, which must be prepared and submitted no more than once a month.

This procurement process is not covered under any treaty.

None of the conditions contained in the bid documents or in the proposals submitted by the bidders is negotiable. Any term or condition proposed by the bidder that differs in any way with the conditions imposed or required under the bid notice, will be cause for rejection of the bid.
